CURRÍCULUM

FullStack developer

PERFIL

Hello! My name is Ezequiel and I'm an English teacher and front-end enthusiast. I enjoy learning new technologies as well as creating beautiful websites. Some of my skills include HTML, CSS, SASS, JavaScript, React, Redux, NodeJS, Express, PostgreSQL, and Sequelize.

WORK AND PROJECT EXPERIENCE

2021 - 2022 — **Weather app**

This is a web app created using React. The information is brought via an API called Open Weather Map.

2021 - 2022 — **Superchat**

A chat created using React and firebase

2021 - 2022 — **Rick and Morty Wiki**

A react app created using React and consuming the Rick&Morty API

2018 - 2020 — **Teacher of English at elementary school**

I worked with children ages 6 to 8. Also, I was in charge of the English-oriented reading week, a week where I proposed and encouraged reading in English throughout the school.

EDUCACIÓN

2021- 2022 — **Bootcamp Henry (Fullstack Developer)**

Currently at the final stage of the Bootcamp

2018- 2023 — **ISFD "Insp. Prof. Albino G. Sánchez Barros"**

Currently studying to become an English teacher

2016- 2018 — **English School**

Tecnico en idioma Ingles

HABILIDADES
